Declaration for all

Our team is happy to welcome you. You can be assured of our partnership towards better health. Today, a physical exam will be performed and may include X-rays, which could be taken on site. During your next visit, an explanation of the results will help you make an informed decision concerning your health.

At the present, I declare that all the information regarding my health status is complete and acurate and I authorize the physical examination and if necessary, X-rays to be performed on me (❑ on my child: _____). I understand that I am personally responsible for full payment of all charges for the services rendered. These charges are payable after each visit.
